

Thank you for your interest in building a partnership with us! ARTS Unlimited is a Kissimmee-based traveling community theater that partners with organizations throughout Central Florida, offering productions that benefit local non-profit organizations. ARTS Unlimited donates a percentage of all ticket sales to the non-profits we collaborate with. You can support our endeavors by co-producing one of our productions, purchasing advertising in our programs, or donating an item of need.

This year, we supported Give Kids the World, the Osceola Council on Aging, Help Now of Osceola, Holy Redeemer Catholic Church, and the Museum of Military History. In 2024, we are honored to add the Education Foundation and Osceola County Schools, as well as the Osceola Library System, to our list of non-profit beneficiaries!

Please select one (or more!) ways you would be interested in partnering with us in 2024. Your support helps us cover costs associated with producing shows, such as performance venue rentals, licensing and production expenses, costumes, props and set pieces, cast and crew stipends, among others.
